

Labour Force Survey - Refusal Sheet

Enumeration Area ----- Interviewer ----- Regional supervisor -----
(Name, Surname) (Name, Surname)

To the interviewer: Fill in the 3rd column for each household where you did not conduct an interview despite the reason. Fill in 4th and 5th columns if you did not conduct a personal interview. Indicate the reason of not filling a personal questionnaire in the 4th column. Indicate the sequence number of the person from a demographic questionnaire in the 5th column. You have to use given codes bellow to fill in the answers.

You have to visit this address at least additionally twice if the respondent is not at home.

If the house is locked for a long period of time, try to find out from their neighbors whether they have gone for more than one year or less.
